

EAST PERTH EAGLES DOMESTIC COMPETITION

schweigen

Announcement: Domestic Coordinator

It is with sadness that we advise that Dianne Stubbs, Domestic Coordinator, will be leaving East Perth District Basketball Association effective immediately. Dianne is looking forward to spending more time with her family and taking a well-earned break from basketball.

Dianne has been a valued member of our association and her contribution has been outstanding. She came into the club during a tough time and took the competition to a whole new level.

We can't express how much her presence, work and contribution to East Perth will be missed. Dianne has become our face of the domestic competition.

We would like to thank Dianne for her support, friendship and dedication to East Perth District Basketball Association.

For and on behalf of East Perth District Basketball Association (Inc) Executive
