

## EAST PERTH EAGLES DOMESTIC COMPETITION

**schweigen**

### **Announcement: Summer 2018/2019 Competition - Age Groups**

Thank you to all the club and independent teams that have nominated to play in the East Perth District Basketball Association's Domestic competition for the Summer 2018/2019 season.

As the competition grows and evolves there are changes required to ensure we have a fair competition which also aligns to our other competitions and pathways, including the Western Australian Basketball League (WABL).

Under the current structure, the WABL rule cannot be applied to the odd numbered age groups ie. U11, U13 and U15. Under the new structure this will be rectified.

Moving forward the age-groups will be structured as follows for the coming 2018/19 summer season:

#### **Mixed**

U10's mixed competition

#### **Boys**

U12 Boys

U14 Boys

U16 Boys

U18 Boys

U20 Boys

#### **Girls**

U12 Girls

U14 Girls

U16 Girls

U20 Girls

In the interests of keeping the competitions as fair and even as possible, there will be multiple divisions introduced into each age-group where there are numbers.

By default teams that have nominated for the odd age groups (ie. U11, U13 and U15) will default to division 2 in that age group. There will be 3 weeks of grading to ensure that teams are in the correct grade and will end up in a division at the discretion of the competition coordinator. From there the official competition will start.

For and on behalf of East Perth District Basketball Association(Inc) Executive
