Important Notice - Domestic Competition Winter 2018

Please be advised the WABL Rule for EPDBA has been updated to cater for the growth in WABL teams entered this will commence Winter 2018 season.

Girls – no restriction on number of WABL players in a team

Boys

- o Maximum of 4 WABL players per team
- o WABL player defined as a player that plays in the WABL Championship division in their age group, the same year as the current domestic season.

The WABL rule does not apply to the top age group of the competition.

This change has been implemented in the best interests of the competition given the increasing number of WABL teams East Perth has entered and players from the Domestic Competition being selected to represent the club in this Elite Competition.

East Perth District Basketball Association reserves the right to make decisions to maintain a sustainable competition or fill an age group.
