Congratulations to the successful Coaches, wishing you all success for the 2018 State Championships and 2019 season.

Head Coach Appointees are reminded that the further appointment of assistant coaches and team managers needs to be approved in consultation with the Executive Committee, this will save any embarrassing situations by acting too quickly.

We would like to formally thank the outgoing Coaches for their respective efforts in the 2018 season, it's important to recognise their efforts that has enabled the successful growth of the Club. Both success and growth would not be possible if it wasn't for the efforts of Coaches as the various levels. Likewise, we would like to pass on our thanks to all of the applications for Coaches, whilst difficult to change or have a pool of applicants it's always a hard task to select a singular from multiples.

Coach appointment period is for the 2018 State Championships and 2019 WABL season, nominations will be called for at the end of the 2109 WABL season with a view of reviewing and appointing for the 2020 season.
